RE: Representation of the Estate of Billy Wayne Denison, Deceased, the Estate of Ida Baldwin Denison, Deceased, oil and gas matters on real property owned by the Denisons, and all other legal matters

Dear Mr. Brownfield:

You are hereby notified that you are discharged as attorney for the Estate of Billy Wayne Denison, the Estate of Ida Baldwin Denison, all oil and gas matters on real property owned by the Denisons, and all other legal matters. Although your representation of the Estate of Ida Baldwin Denison was terminated on August 20, 1997, your representation on all legal matters is terminated effective immediately.

You are requested to prepare and file a Withdrawal of Counsel with regard to both Estates and to immediately surrender to me all papers and property you have regarding all of the above matters. Any additional delay in withdrawing from representation will only compound the prejudice you have already caused to the Estates and to my family.

Thank you.
