In receiving these for deposit or collection this bank acts solely as depository and assumes no responsibility beyond the exercise of due care. All items are received subject to final payment in cash or direct credit. This bank will not be liable for default or negligence of any other institution or individual in transit, and each depositor is responsible for the safekeeping of all items. The bank is not responsible for cashing items, directly or indirectly, by any route or means, the nature and amount of a draft or credit as conditional payment for any bill or check, and will not pay at any time before final payment is received in full. This bank is not a clearing house and will not pay a draft or check on any day other than the day on which it is presented for payment.

Notice: Deposits may not be available for immediate withdrawal.
