2 ROGER PARKER,

3 having being first duly sworn, testified as follows:

4 EXAMINATION BY MR. CASTRO:

5 Q. Would you state your full name for the Court,
6 please?

7 A. Roger Lee Parker.

8 Q. And Mr. Parker, how are you employed?

9 A. I'm City Administrator for the City of Aspermont.

10 Q. And where do you live?

11 A. 941 Southwestern, Aspermont.

12 Q. How long have you lived here in Aspermont?

13 A. My entire life.

14 Q. And how long have you been employed by the City of
15 Aspermont?

16 A. Full time, since 1977.

17 Q. And how long have you had the present position
18 that you hold now?

19 A. Since probably '97.

20 Q. What are your duties in that position?

21 A. I'm City Administrator and Public Utilities
22 Director, you might say. I'm not sure. I'm over the
23 water and sewer and everything.

24 Q. Have you had any kind of communication with John
25 Denison in the last, oh, say five years?

1 A. Yes.

2 Q. And with regard to what?

3 A. Probably over his bills.

4 Q. Okay. In your official duties with the city?

5 A. Right.

6 Q. Okay. It hasn't been on a personal basis, has it?

7 A. No.

8 Q. Does the City of Aspermont supply water to the
9 Denison ranch?

10 A. Yeah, through a roundabout way. There's another
11 ranch out there that has a two-inch line that is tied to
12 our main and it runs across that Denison property, and
13 about a mile from the main is where the Denison meter is.
14 And we have to deduct that usage from the meter back at
15 the main in order to get the other ranches billed
16 correctly. In other words, the water that goes to the
17 Denison estate or whatever goes through another man's
18 meter.

19 Q. And whose meter is that?

20 A. Right now, the meter is under Ralph Riddel, Jr.

21 Q. So Ralph Riddel, Jr., is the one who owns that
22 other ranch?

23 A. Right.

24 Q. Is it an adjoining ranch?

25 A. Yeah.

1 Q. Have you had any communications in the last five
2 years or so with Bob Marshall Denison?

3 A. No.

4 Q. Have you had any communication or correspondence
5 with any of his attorneys?

6 A. No.

7 Q. So you don't know who Suzie Shay and Travis Ware
8 are?

9 A. No.

10 Q. Do you know a lady named Jackie Kennan?

11 A. No.

12 Q. Never spoken to her?

13 A. No.

14 Q. Do you know Bob Marshall Denison?

15 A. I just know of him. He used to live here years
16 ago.

17 Q. Did the City of Aspermont provide water to the
18 Denison ranch before Billy Wayne Denison and Ida Baldwin
19 Denison passed away?

20 A. Yes.

21 Q. Do you have any idea for how long?

22 A. As long as I can remember.

23 Q. Okay. I asked you to bring some certain documents
24 and other records. Did you happen to find any and bring
25 any with you?

1 A. Yes.

2 Q. Okay. What did you bring?

3 A. These are the water bills since January the 1st of
4 1997. This is -- the reason it's in two different deals
5 is because this was a new computer program that we started
6 and that's what we're running at current. In other words,
7 I could only pick it up from the 7th of '97 and this is
8 the previous months before.

9 Q. Okay. Let's identify these so we can discuss
10 them, okay? You have two separate documents; is that
11 right?

12 A. Right.

13 Q. Okay. So we'll have one marked number one and one
14 marked number two.

15 (Deposition Exhibits Numbers One and Two
16 marked)

17 Q. (BY MR. CASTRO) Okay. Mr. Parker, now do you
18 need these back? Do you need these originals back?

19 A. No.

20 Q. Okay. Thank you very much for providing these for
21 us. Okay. Would you identify Deposition Exhibit Number
22 One?

23 A. It's the water bills between the months of
24 December 31st, 1996, to July the 30th of 1997.

25 Q. All right. And then Exhibit Number Two?

1 A. It picks up at July the 30th of 1997, and
2 continues to date, the last billing, which was the 4/29,
3 2002.

4 Q. Okay. And what is the balance, if any, that's
5 owed on the estate to the city now?

6 A. \$926.40.

7 MR. CASTRO: I'm going to pass.

8 EXAMINATION BY MR. LEGGETT: (9:34 a.m.)

9 Q. Mr. Parker, my name is Ken Leggett and I represent
10 Jessica Denison. Have you ever met her?

11 A. No, sir.

12 Q. That's one of -- represents one of Bob Marshall
13 Denison's children. Was it the normal course for the bill
14 to be paid in what appear to be increments on this Exhibit
15 Number One? Not necessarily monthly, but let the bill
16 accrue for two or three months and then pay it?

17 A. In the past, it's been like that.

18 Q. Is that the way Mr. and Mrs. Denison did it? I
19 mean, John's mom and dad?

20 A. I couldn't say for sure.

21 Q. Do you know where this water is used, Mr. Parker?

22 A. I don't know how it's used, no.

23 Q. Whether it's used for a house or watering cattle
24 or --

25 A. Right.

1 Q. Compared to other users, is it a lot or little,
2 normal? What do you consider it?

3 A. No. It's a very high amount.

4 Q. Has Mr. Denison, being John Denison, ever given
5 you any reason why they don't pay the water bill on a
6 monthly basis?

7 A. I couldn't say, specifically.

8 Q. It is your practice, though, to have those bills
9 sent out and paid on a monthly basis --

10 A. Right.

11 Q. -- is that correct?

12 A. Right.

13 Q. And just a cursory view of Exhibits One and Two
14 which were provided to Mr. Castro to attach to this
15 deposition, Mr. Denison doesn't pay his water bill on a
16 monthly basis, does he?

17 A. It's disconnected at the moment.

18 Q. When did it get -- easy for me to say. When did
19 it get disconnected?

20 A. I'm guessing a month ago.

21 Q. Have there been any discussions or efforts made by
22 anyone connected with the estate to get the water meter
23 reconnected?

24 A. Not that I'm aware of.

25 MR. LEGGETT: That's all I have. Thank you,

1 Mr. Parker.

2 EXAMINATION BY MR. ZACHARY:

(9:38 a.m.)

3 Q. Mr. Parker, my name is Mark Zachary. I'm a
4 guardian ad litem in this case, in this estate case. I
5 just have one question for you. Why was the water meter
6 disconnected or the water discontinued at that location?

7 A. They owe over \$900.00 for two months.

8 Q. Is it a policy or does the water district have a
9 policy or the water department have a policy on
10 disconnecting?

11 A. Yes.

12 Q. And what is that?

13 A. A few months back, the city council set up rules
14 governing that, that the bill is due by the 15th of the
15 month. And if it's not paid by the 25th, it's
16 disconnected.

17 Q. And this is a recent policy change at the water
18 department?

19 A. Yeah, just a few months back. We had to get
20 tougher with our clients.

21 Q. Are you aware of there being any other water
22 service to the ranch?

23 A. No.

24 Q. I've got no other questions. Thank you very much.

25 EXAMINATION BY MR. CASTRO:

(9:39 a.m.)

1 Q. I've got just maybe a couple more, Mr. Parker. I
2 wasn't -- I don't know that I understood your answer when
3 Mr. Leggett asked you about whether you knew whether --
4 that the water was used for residential purposes or to
5 water cattle. What was your answer? Do you know?

6 A. I know that it goes to the house and he has told
7 me -- or Johnny Denison has told me that he waters cattle.

8 Q. Okay. And when we're talking about the house, is
9 that the house there near Old Glory?

10 A. Right, the two-story or whatever.

11 Q. Okay. And you understand the ranch is in more
12 than one location, right? All the property is not
13 continuous?

14 A. No, I'm not aware of that.

15 Q. Okay. Were you aware that part of the ranch or
16 the largest part is here west of Aspermont?

17 A. I understand that he own -- I mean, owns some land
18 here, yes.

19 Q. Okay. Now, the water the city provides that we've
20 been discussing, is that to both places or just to the one
21 at Old Glory?

22 A. No. The one -- this one is the one that did Old
23 Glory.

24 Q. Okay. Does the city provide water to any other
25 part of the ranch?

1 A. The place out east of town, the water goes through
2 Ned Ward's meter.

3 Q. East of town?

4 A. I mean, west of town, excuse me, west of town.
5 The water goes through Ned Ward's meter and Ned buys water
6 from the city and he sells it to the -- some people out
7 there on his land.

8 Q. Okay. So --

9 A. It's not directly connected to the City of
10 Aspermont either.

11 Q. But it originates as city water?

12 A. Right. Yes.

13 Q. City water that's sold to Mr. Ward later, who then
14 sells it to the ranch; is that right?

15 A. Right.

16 Q. Thank you.

17 MR. CASTRO: Pass.

18 MR. LEGGETT: I have no further questions of
19 this witness.

20 MR. ZACHARY: I have no further questions for
21 this witness.

22 MR. CASTRO: Let me ask you one more
23 question.

24 EXAMINATION BY MR. CASTRO: (9:41 a.m.)

25 Q. Have you had any communication with John Denison

1 in the past month?

2 A. Not that I recall.

3 Q. And you haven't talked to him? Have you written
4 him any letters or anything like that?

5 A. No.

6 MR. CASTRO: I'll pass.

7 MR. LEGGETT: Thank you, Mr. Parker.
